MSR SHORT COURSE: BREAST IMAGING

'ENGAGING RADIOGRAPHERS TO EXCEL'

13TH-14TH MAY 2017

VENUE:

AUDITORIUM, AMPANG HOSPITAL,
SELANGOR, MALAYSIA.

<http://msradiographer.org/>

Tentative Programme

Welcome message

Welcome to the 1st Malaysian Society of Radiographers (MSR) Breast Imaging Course with the theme 'Engaging Radiographers to Excel'.

Let us welcome experienced radiologist and radiographers in sharing their knowledge on the various aspects of breast imaging. This event will be jointly organized by the MSR and also the Diagnostic Imaging Department of Ampang Hospital from the 13th to the 14th of May, 2017 at Ampang Hospital.

Participants will be exposed to an array of topics ranging from the anatomy of the breast, basic positioning and problem solving in mammography, basic interpretation in mammography, MRI breast and others. These are some of the topics that will be presented during the course.

In this course, we want to give you, the **PARTICIPANTS**, an opportunity to present your research paper on breast imaging, whether it is on Mammography, MRI breast, Ultrasound breast and other breast related topics. As long as it involves the anatomy of the breast using an imaging modality. So grab this chance to present your paper in the local radiography fraternity.

Registration

Online registration can be made at MSR's website at <http://msradiographer.org/>
Please be informed that we only cater to online registration
