## Strategic Professional Partners Organiser:

# What is R4R?

Organiser:

A 3 parts workshop for both therapeutic and diagnostic radiographers and students. This workshop is designed to inform the audience of the pathway & guides to undertake research in imaging & therapy, the skills needed to conduct research, how to get involved in research and the streams available for funding, publications and application into clinical practice.

This CPD accredited event will offer delegates the opportunity to learn tips & tricks from multiple experienced speakers prevalent in the research and academic world, ask questions and share their thoughts with peers and colleagues.
